# SILBERSCHMIDT
# PAULINE

## GRADUATE STUDENT
## - ENGINEERING & HEALTHTECH RESEARCH TRACK -

## CONTACT

+33 784346499
silberschmidt.pauline@gmail.com
France, Strasbourg
Full driving license (car)

## SKILLS

- **Programming :** Python, C, LabVIEW, Matlab, HTML/CSS. Basics : JavaScript
- **Modeling & Simulation :** SolidWorks, COMSOL Multiphysics, Altair HyperMesh & HyperCrash.
- **Hardware & FabLab :** Raspberry Pi, Arduino, 3D Printing, Laser cutting, CNC milling, PCB micro-engraving
- **Software :** Signal Processing tools, Microsoft Office Suite

## LANGUAGES

- **French** - Native
- **English** - Advanced
- **Spanish** - Intermediate

## PERSONAL QUALITIES

- Enthusiastic
- Curious
- Observant
- Persistent
- Inventive
- Organized

## INTERESTS

- **Sports** : Climbing, Volleyball, Skiing, Fencing, Swimming, Hiking
- **Arts & Leisure :** Cooking, Traveling, Reading, Strategy Board games, Piano, Theatre

## EDUCATION

**ENGINEERING SCHOOL SPECIALIZED IN INFORMATION TECHNOLOGY FOR HEALTHCARE**
*Since September 2024*
- **Engineering program** specialized in Information Technology for Healthcare
- **Master HealthTech** : Interdisciplinary program focused on Medical Imaging, AI, and Robotics

Télécom Physique Strasbourg

**MP PREPARATORY CLASSES (MATHEMATICS-PHYSICS)**
*2022-2024*
Lycée Henri Poincaré, Nancy
Intensive training in Mathematics and Physics for national engineering school entrance exams

**FRENCH BACCALAUREATE**
*2022*
Lycée Henri Poincaré, Nancy
Mathematics, Physics, Computer Science
Graduated with Highest Honours and Committee Praise

## EXPERIENCE

**ENGINEERING PROJECT - PROJECT LEAD**
*2025-2026*
- Designed a 24h autonomous wearable device from scratch for precise head kinematics monitoring

**FABLAB ASSISTANT (INTERNSHIP)**
*2025 (five weeks)*
- **Training :** Certified trainer for 3D printing; operated laser cutters and CNC machines
- **Content Creation :** Developed video tutorials, flyers, and updated signage
- **Management :** Handled lab logistics and supervised external student groups

**MEMBER OF THE STUDENT COUNCIL**
*2025-2026*
- Managed the association's website and database
- Maintained and troubleshot the student-developed payment terminals
- Co-organized events and improved student life as a certified "Trusted Person" (trained in VSS prevention, active listening, and support)

**ENGINEERING PROJECT - PROJECT LEAD**
*2024-2025*
- Developed a signal acquisition system to verify output signals from an MRI machine
